Salad Shaker System

Convenient. Flexible. Ready to go.

Salad Shaker System offers freshness and convenience in a modern, modular design for busy lifestyles. Its clear cup displays vibrant ingredients, keeping meals organized and mess-free.

Features include a flat insert and PP portion cup to separate toppings and dressings, preserving salad crispness until shaking and serving.

Secure snap-fit lids make it ideal for takeaway, delivery, and grab-and-go. Made without intentionally adding PFAS and recyclable, it balances functionality, safety, and sustainability, allowing operators to serve fresh meals confidently.

PRODUCT FEATURES

-  Crystal-clear cup that showcases fresh, vibrant ingredients.
-  Modular design that includes flat insert and PP portion cup.
-  No PFAS Added
-  Recyclable
-  Ideal for On-the-Go, Takeout & Meal Prep

BEST FOR:

Foodservice operations that require freshness, convenience, and a striking visual appeal—particularly suitable for salads and cold meals prepared for grab-and-go, takeout, and delivery services.

RECYCLABLE

Snap-Fit Lids

Build Your Salad Shaker System

Key Benefits

Modular & Mess-Free

Flat insert and PP portion cup keep toppings and dressings separated until ready to serve.

Secure for Transport

Snap-fit lids help prevent leaks during takeaway and delivery.

Designed for Freshness

Keeps salads crisp until it's time to mix, shake, and enjoy.

Built for On-the-Go

Ideal for meal prep, grab-and-go programs, and cold food applications.

Mix. Shake. Serve.
